ABOUT ABE

ABE qualifications offer a blend of professional skills backed up by academic excellence. Employers like ABE qualifications because our graduates bring real and immediate value to the work place. Our diplomas are more than just a professional qualification. They also have the same academic credits that you gain from a degree. This means that ABE’s Diploma’s offer great opportunities with many universities in the UK and around the world. We know that many people dream of running their own business, so entrepreneurialism is embedded throughout the program. ABE students develop the skills set they’ll need to build, run & grow a successful enterprise. Companies value employees who can demonstrate entrepreneurial thinking & instinct. ABE qualifications offer a winning combination that gives our graduates the best of all worlds.

Rob May, Chief Executive, ABE

ABE is fully regulated by Ofqual, the British Government’s qualifications regulator for England. Ofqual has an outstanding reputation on the international stage and we are proud to comply to the existing standards. Whether you dream of becoming an entrepreneur, getting a great job, being promoted to senior management or you are already in a leadership role and want to enhance your professional skills set, an ABE qualification will help turn your plans into reality.
